

Thirteenth Sunday in Ordinary Time

July 1, 2012

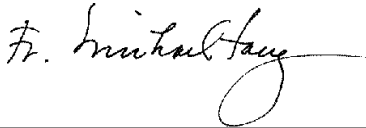

From the Pastor's Desk

In the Gospel this weekend we see that Jesus healed sick people by touching them. He touched people in various ways: with his words, with his hands, and with his love. These miracles show that the saving power of Jesus can overcome sickness and even death. The reading from Wisdom serves as a backdrop to this message. God did not create human beings in order to destroy them, but that they should enjoy a blessed immortality.

Both the woman with the hemorrhage and the daughter of Jairus were beyond the help of any earthly power. The great faith of the woman and of Jairus is stressed. Both persons believed that Jesus possessed a supernatural power to heal. Both miracles are signs of God's power, restoring life and health through Jesus. The raising of the little girls is a foreshadowing of Jesus' gift of everlasting life to all who believe in him.

If you can believe it, we are already in mid-summer and the Fourth of July is on Wednesday. Whatever you choose to do to celebrate our country's independence, please take a moment to thank God for the gift of freedom, and all the benefits we all enjoy by living in the United States of America!

Have a good week, enjoy a safe holiday, and God bless you all!
